

To have fun you need to be well rested. We feature the next generation of comfort technology by including the Avena™ mattress in every RV we rent. Avena™ molds to your body shape like the finest memory foam while providing support from head to foot.

*You sleep cool, you sleep comfortable.
You wake refreshed and ready to make every day an adventure.*

Avena™

Comfort & Support Mattress

3 INCH Avena™ Foam

Silky to the touch and offers exceptional support

7 INCH Foam Foundation

Resists body impressions and retains its shape night after night

Enjoy Peaceful Sleep

Absorbs motion so you won't wake or disturb your partner

Cool and Comfortable

Dissipates heat to prevent overheating for a more pleasurable sleep experience

Moisture Wicking Cover

Luxuriously soft, smooth and cool cover that wicks moisture away from the skin

10-INCH THICK FOAM MATTRESS

Two layers of premium foam add more comfort and deeper support to provide total body relaxation, soothe aches and pains to reduce tossing and turning

3-INCH THICK AVENA™ FOAM TOP LAYER

High density Avena™ foam is resistant to body impressions and disperses body weight evenly to relieve pressure

7-INCH THICK, DEEP-SUPPORT LAYER OF ANTIMICROBIAL BASE FOAM

Base foam provides a soft, luxurious feel with deep support and conforms to your body naturally for a level of comfort that no other sleep surface can match

CUTTING-EDGE DESIGN WITH NO METAL SPRINGS

No antiquated design that squeaks, breaks, pokes or sticks up to cause discomfort
